CONDUCT POLICY for GRADES 3-5**

In order to meet state and district requirements of the knowledge and skills to be taught in our content areas, we must make the most of our time spent with your student.

All students will allow learning to take place by fulfilling these expectations:

1. Following directions consistently
2. Using time wisely
3. Using materials and equipment appropriately
4. Respecting peers
5. Respecting adults
6. Speaking appropriately
7. Working cooperatively

When a student chooses not to cooperate, a warning will be given and documented. A second offense will result in a phone call. A third offense will result in a note home. This note means that the student will not attend the specials celebration (Funtastic Friday) for that nine weeks. Additional offenses will result in office referrals.

Infractions will accumulate for one nine week period only. All students will start fresh at the beginning of each nine weeks period. A celebration of world class behavior will occur at the end of each nine weeks. Administration is working with us to ensure success for all students.

Please discuss this policy with your child and stress the importance of a positive classroom environment. We are anticipating a productive and enjoyable year!
